1. RNDOLLAR and AIRBRED are still living in a hotel in Patras.

[] 2. The living allowance for these two agents was forwarded to them through []'s office on the 29th of September. RNDOLLAR will be called up for interview in the near future. The delay in seeing him was dictated by the preparation of WEDNESDAY mission for training.

3. [] research on sheep and other impedimenta in the operational area which we mentioned in para four of reference has not yet been completed. We have all but decided, however, to hold the remounting of FRIDAY until December when the chances of success will certainly be better. Only a very unfavorable report from [] on the sheep will cause us to reconsider.
